Dear Ms. Dortch:

In a notification filed on September 4, 2008 in these proceedings, Custer Telephone Cooperative, Inc. (CusterTel) advised the Commission of its election to not transmit CMAS alerts. That election has now changed.

Accordingly, pursuant to procedures established in the *Third Report and Order* in PS Docket No. 07-287, 23 RCC Rcd 12561 (2008) and Section 10.230 of the Commission's Rules, CusterTel hereby notifies the Commission that it agrees to transmit CMAS alerts in a manner consistent with the technical standards, protocols, procedures and other technical requirements implemented by the Commission; and it commits to support the development and deployment of technology for the following: the "C" interface, the CMS provider Gateway, the CMS provider infrastructure, and mobile devices with CMAS functionality and support of the CMS provider selected technology.

Very truly yours,

CUSTER TELEPHONE COOPERATIVE, INC.
